SPORTS NIGHT RETURNS

Sports Night Schedule. Some of these dates may be cancelled, as the school has first priority with respect to use of the facility. Last minute changes are posted on our web site at:

www.heritagelakes.ca

Sports Night events are free for HLCA members. Non-members are charged \$2 per person (\$5 for the Christmas party).

Sports night is a great way to spend time together as a family, get some exercise and go easy on the pocket-book! Instead of enrolling the kids in activities that cost a lot of money, come join us and have some fun as a family, close to home!

Canada Day Breakfast

Sunny skies and old-fashioned fun combined to make the 2010 Canada Day Breakfast another record breaking event. Pancakes and sausages were served to 609 neighbours and visitors who came out to celebrate Canada's national day.

Kids left the video games at home and had a great time participating in sack races, water races, and other old-time favourites. Adults tried to keep up, but some ended up crawling to the finish line.

We are already planning next year's event, and hope you will be able to join us for another day of fun and games.

Time... to think about keeping the family dream home, no matter what

Traditional mortgage life insurance is designed specifically to retire only the balance owing to the mortgage lender if something happens to you. Investors Group can show you how an individual plan that puts you in control can help ensure that in the event of death, disability or critical illness, your family can still live in their home. Let us show you how building insurance into your plan can preserve financial security.
